

YOUR CHURCH ENGINES GETTING STARTED CHECKLIST

- Watch the video in the Welcome Module.
- Work through the Bonus Module: watch the Snapshot video and get the free downloads.
- Download the syllabus.
- Set up a binder to keep the downloads organized - one section per module. Set up similar binders for every leader.
- Join the Facebook group and introduce yourself.
- Subscribe to PastorMentor, if you haven't already, so you will get Hal's weekly blog post.
- Prepare for Module 1 (available 8.1.16). Set a date(s) to watch the video lessons with staff and leaders. Get the syllabus and Module 1 downloads printed for each leader.
- Pray.
- And give yourself a high five for making the decision to do ChurchEngines.
